ABOUT ME

I am a motivated and dedicated sixth-semester medical student with a strong passion for healthcare. I actively develop my skills through organizational experience and currently serve as the Head of the Education and Profession Department in the Student Executive Board (BEM) of the Faculty of Medicine Universitas Trisakti. This role has strengthened my leadership, communication, and program management abilities in educational and professional advocacy. I am committed to continuous learning, innovation, and making a positive impact within the academic community and beyond.
