Educational Level

51 Senior High School Science
2018 - 2021

East Jakarta
Senior High School education was completed with a focus on the Science Track, where strong knowledge in Biology, Chemistry, and Physics was gained. Analytical and problem-solving skills were developed throughout the studies.

Trisakti University Faculty of Medicine
2022 - 2025 (expected)

West Jakarta
University studies were pursued at Trisakti University, where participation in the organization of the Asian Medical Student Association from 2023 to 2025 was involved. Academic knowledge and practical skills in the medical field were further developed during this period.

Organizational Experience

Asian Medical Student Association
2023 - 2025

Farewell and Welcoming Ceremony with AMSA Alumny Club | *Head of Event Divison* - 2023
As Head of the Event Division, I led the planning and execution of the Farewell and Welcoming Ceremony in collaboration of AMSA Alumni Club. The event successfully facilitated smooth transitions between outgoing and incoming members, fostering strong community bonds. My role involved coordinating logistics, managing the team, and ensuring the event ran smoothly.

Meet the Expert with Us | *Master of Ceremony*
During the "Meet the Expert with Us" event, explanations of roles within AMSA were given by members from across Indonesia. Improved communication and cooperation among AMSA chapters were achieved through the event.

Community Health Awareness Volunteer
Abdi Masyarakat Trisakti 2023

- Participated in health promotion activities aimed at increasing public awareness on basic hygiene, nutrition, and disease prevention.
- Helped design and distribute educational materials (pamphlets, posters) related to healthy lifestyles.
- Collaborated with fellow volunteers and health professionals to ensure smooth execution of community outreach events.

Regional Medical Olympiad
2023

- Contributed to the preparation and execution of a regional-scale academic competition for medical students.
- Assisted in logistics, venue setup, and coordination with speakers, judges, and participants.

Medical Oath Ceremony
2024

Committee Member
- Welcomed guests and guided attendees during the event to maintain order and professionalism.
- Coordinated timing and transitions between each session to ensure the event ran smoothly and professionally.
