- Creative
- Leadership
- Problem Solving
- Critical Thinking

PROFILE

I am currently in my third year of medical school at Trisakti University and also hold the position of Chief Operating Officer (COO) at a Limited Liability Company (LLC) that supplies hospitals and medical specialists. My life motto is "Every problem has a solution," which reflects my belief that there is always a way to overcome any obstacle or challenge. I possess excellent communication skills and have demonstrated strong teamwork abilities, particularly during surgical procedures and company meetings.
