

HIJR ISMAIL YUSRIADI

MEDICAL STUDENT (PRE-CLINICAL YEAR)

As a pre-clinical medical student, I have developed a strong foundation in scientific research, analytical thinking, and problem-solving through academic training and active involvement in student organizations. These experiences have strengthened my leadership, communication, teamwork, and organizational skills while enabling me to adapt effectively to diverse responsibilities and challenging environments. I am committed to delivering high-quality work with professionalism, attention to detail, and a continuous willingness to learn. I am also open to both medical and non-medical freelance opportunities where I can contribute my skills while gaining valuable professional experience.
